f1rst thursday at the art works galleries

This month **Solo Eye** presents 'A Retrospective' by Colin F. Graham, celebrating a career spanning over half a century with works from a range of disciplines and influences. **Focused Eye** unveils the latest competition awards, an exhibition exploring the contemporary culture of 'Great Britain'. May's **Mini Exhibition** looks to the Urban Landscape and **Cohesion** continue their stunning exhibition of glass. And just in time for the sun our unique outdoor gallery **The Sculptured Eye** hosts 'Drawn Together' by Newcastle College First Year Fine Art Student collective NE4 featuring 2 & 3d works.

May also launches **The Curated Collection** - an exhibition showcasing collections from the regions best artists, including seascapes from Robert Ridley, Alan Stones delicate lithographs, contemporary landscapes by Lee Herring and evocative landscapes by Lesley Forster.

Looking for a small treat? Peruse stalls and pick up unique & handcrafted gifts from local designer-makers in our **MAKE IT SELL IT MARKET** and **SHOP** *The Bohemian Boutique* has a treat for all tastes.
